The form attached is a PRE APPRENTICE application form. For every PRE APPRENTICE application form we receive in a year's time we generate an application packet when we are screening (accepting applications and interview process) for the APPRENTICESHIP Program.

We accept applications once a year for our APPRENTICESHIP. If you have submitted a PRE APPRENTICE application (accepted all year) we will send you a packet during the application period (as long as we have current, correct, and readable information to reach you).

- The starting wage for a PRE APPRENTICE is currently **\$13.59 plus health contribution of \$7.75.**
- The starting wage for an APPRENTICE is currently **\$19.42 with Fringe Benefit contribution of \$17.16.**

We will contact you in regards to a PRE APPRENTICE position on an *AS NEEDED BASIS*. When a Union Contractor calls and request a PRE APPRENTICE we begin calling the most recent application received. When offering the person the position we give them, at that time, all pertinent information about the job.

If you pass on an opportunity offered for PRE APPRENTICESHIP this in no way jeopardizes your chances at receiving an application for APPRENTICESHIP or to interview for an APPRENTICE position as long as you fulfill all the requirements in that process. However, during the APPRENTICESHIP interview process a PRE APPRENTICE is awarded additional points toward their final score.

The following are the minimum requirements for the **APPRENTICESHIP APPLICATION** process.  
NOTE: All applicants who provide documents to meet the minimum qualifications criteria and submit a complete application will be interviewed and ranked. This is to help you prepare and have ready the information/copies needed.

The minimum qualifications to apply are:

- ❑ Must be at least 18 years old (provide copy of birth certificate or other documentation).
- ❑ Shall possess a high school diploma or certified G.E.D. equivalency (provide copy) (H.S transcripts for potential extra credit).
- ❑ Must be an Alaskan resident .
- ❑ Must possess a valid Alaska driver's license. (provide documentation)
- ❑ Shall be physically capable of performing the essential functions of the occupation without endangering the health and safety of themselves and or fellow workers.

The recruitment, selection and training of apprentices during their apprenticeship shall be without discrimination because of race, color, religion, national origin or sex.
